

Keith Revved Up – 2021

TO GET YOU THROUGH THE GATES AS QUICKLY AS POSSIBLE

There are a couple of COVID19 Safe processes we need to go through this year for entry to our event.

Here are our top tips for quick entry.

1. Download the COVID19 Safe Check-in for South Australia for ease of registration on the day. See <https://www.covid-19.sa.gov.au/restrictions-and-responsibilities/covid-safe-check-in>
2. We will have QR codes available while waiting in line. Members of our team will be there to help you along the queue. Use hand sanitiser.
3. Have your phone with your COVID19 Safe check-in details ready for the staff at the gate.
4. Have your e-ticket ready from Ticketebo.
5. If you don't have a smart phone for COVID19 Safe Check-in don't worry, there will be a place for you to register your details manually but it may take longer.
6. If you are not using your smart phone you will need a hard copy of your Ticketebo entry ticket for scanning.
7. Once COVID19 Safe Check-in and Ticketebo entry tickets are checked, you will get a wristband then you are free to enjoy the event.
8. Help the COVID Marshalls by always wearing your wristband, following the signs and directions regarding social distancing and hand sanitising or you might be asked to leave.
9. REMEMBER this event is cashfree so use your phone or card.
